

Sample from "Remains To Be Seen"

*-A body has been found in a "trunk" and the scene picks up where our two Detectives are conducting an investigation*

MULEDEER: (*flipping badges*) I'm Agent Muledeer and this is Agent Sullen, we're with the bureau. You must be Mr. and Mrs. Albee.

GEORGE: Call me George.

MARTHA: Call me Martha.

GEORGE: I do hope there's no trouble.

MULEDEER: We were notified by the (*your city*) PD, that a truck rented from your location contained a steamer trunk.

MARTHA: A steamer trunk?

SULLEN: Yes and in this trunk were the remains of an unidentified middle aged man.

MULEDEER: The truck was rented from you two weeks ago by a Mr. Ignatious Clam, truck number 9.

SULLEN: Mr. Clam claims the trunk was there, when he rented from you.

GEORGE: A body?

MARTHA: A trunk!

GEORGE: Oh my word!

MARTHA: Oh my lands!

GEORGE: Holy cow!

MARTHA: Oh my goodness.

SULLEN: We'd like to know if either of you recall anything about this particular truck. And a trunk being left on it? Maybe by the previous renter?

MULEDEER: Or perhaps one of you may recall flashing lights from the sky late one night. Multi colored lights and maybe a bright white beam...

SULLEN: Agent Muledeer.

MULEDEER: Kind of like a tractor beam coming from a silvery cigar shaped object in the sky. Maybe it lowered a

container onto one of your trucks.

SULLEN: Agent Muledeer.

MULEDEER: What?!

MARTHA: No! I didn't see any tractor beam.

GEORGE: I did see a tractor pull one time. Down at the civic center.
